**The Seventh National Conference on American Court Collections**  
**May 2-4, 2023**  
**MGM New York New York Las Vegas Strip**

In May 2023, the Coalition of American Court Collectors with co-host and Primary Conference Sponsor Finvi will be on the Las Vegas Strip at the MGM New York New York for the Seventh National Conference on American Court Collections. We will explore “A Nation Divided”...Virtually every day in schools across America hundreds of thousands of students fix their gaze upon our nation’s flag, place their hand over their hearts and reverently recite the pledge of allegiance. The final sentence and summation of our nation’s pledge of allegiance reads “...one Nation under God, ***indivisible***, with liberty and justice for all. Sadly, it is this last sentence and more specifically the “indivisible” portion of this endeared pledge that is being challenged at this moment in history. Indeed, from gun control, to immigration, to reproductive rights, to the teaching of Critical Race Theory, many believe the nation has not been so divided since the Civil War.

The Nation’s criminal justice system has not gone unscathed by this division. Many communities in response to civil protest and narratives that placed blame on the criminal justice’s “law and order” approach, rushed to install a more tolerant model in some instances decriminalizing large portions of their criminal code. However, as crime rates climb and safety on American street has become a primary concern many are questioning the impact of diminished enforcement. One county recently recalled 270,000 traffic warrants as a result of decriminalization even as traffic fatalities are on a record-breaking pace. So, what happens next?

We will bring together some of the nation’s best and brightest to examine this challenging question. Please consider this your very special invitation to attend this unique and powerful event with Finvi, a leader in collections technology and software solutions. Topics will include:

- ATC (Ability to Comply) Models and Best Practices
- The Right to Drive Issue or a Transportation Problem
- The Evolving Role of Probation Departments in Court Collections and Compliance
- Update: The Decriminalization of Nevada
- Plus, much more...And, all Coalition members who register will receive one-year membership renewal at no cost as our thanks (A savings of \$75).
